

Docket No. 99-B-156

DECLARATION AND POWER OF ATTORNEY FOR PATENT APPLICATION

As the below-named inventors, we hereby declare that:

Our residences, post office addresses, and citizenship are as stated below under our name.

We believe we are the original, first, and sole inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled:

COMMAND INTERFACH USING FINGERPRINT SENSOR INPUT SYSTEM

which is described and claimed in application number 09/475,086 filed December 30, 1999, and for which a patent is sought.

We hereby state that we have reviewed and understood the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to herein (if any).

We acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56.

We each hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true and further, that these statements were made with the knowledge that the making of willfully false statements and the like is punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of any patent issuing from this patent application.

POWER OF ATTORNEY: As the named inventors, we hereby appoint the following attorneys and agent with full power of substitution and revocation to prosecute this application and transact all business in the Patent and Trademark Office connected herewith:
